

St. Oswald's RC Primary School

Outdoor Play and Learning in the

Early Years Foundation Stage

Our Vision

- For all children to develop emotionally, physically and intellectually by experiencing engaging play and learning experiences.
- The characteristics of effective learning will be at the heart of our outdoor play and learning.
- Adults will support and enhance learning experiences using their knowledge of both the Early Years Foundation Stage Curriculum and the children's stages of development.

Our Values

- Environment – The children will learn that they have a responsibility to care for the environment and living things within it.
- Resilience – The children will learn that they can take risks, face challenges and learn more with a positive attitude.
- Wellbeing – We recognise that outdoor play is essential for social, emotional and creative development.
- Inclusion – Children and adults will foster the foundations of British Values, being respectful and supportive to all.
- Community – We will include our school and parish community in outdoor learning and play.
