

St Oswald's

Internet rules

We use the school I pads, computers, Laptops and the Internet for learning. These rules will help us to be fair to others and keep everyone safe.

- I will only use the Internet and the school devices when a member of staff is present or they have said that I can.
- I will ask permission before entering any web site, unless my teacher has already said that I can go on it.

- I will only use and look at my own file. I must not go into or delete other people's files.
- I will only email people that my teacher has approved and only when my teacher is present.
- Any messages that I send will be polite and sensible.
- I will not use any Internet chat rooms in school.
- I will not bring in any CD'S or USB drives into school. I can only use these once my teacher has looked at them and approved them.
- If I see anything on the internet that I am unhappy with or that I think is wrong I will tell my teacher immediately.

- If I see another child going on a site that I know is forbidden, I will tell my teacher immediately.
- I will never give out my personal information or information on anyone that I know when on the computer.
- I understand and accept that if I deliberately break these rules I could be stopped from using the Internet and my parents/guardians will be informed.
