

The Primary PE and sport premium

Planning, reporting and
evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments – Sustainability
KEY INDICATOR ONE Children to be active throughout the school day. This will lead to improvements in children's health and wellbeing, which in turn promotes positive attitudes towards learning and a positive mental health and wellbeing.	Extra equipment has been purchased to use for KS1 and KS2 at break times. Children access this equipment each day, which has encouraged all children to be active for the 45 minutes of break time they have throughout the day. Pupil voice has been ascertained about break times and suggestions will be taken into account for 2023/24 academic year.	To maintain the level of resources available to children at break times. Ensure new equipment is bought to top up existing equipment. Use suggestions from Pupil Voice to allow children ownership over resources. NEXT STEP: Appoint sports council/playground leaders to maintain and encourage all children to utilise playground equipment and increase levels of activity.
KEY INDICATOR TWO To raise standards in PE across the whole school through the introduction of the Lancashire Primary PE Passport APP and scheme of work. This will ensure children are receiving a progression based and quality PE lesson.	Lancashire PE Passport and scheme of work are being used fully throughout the school. Observations have been undertaken of the teaching of PE, feedback given and acted upon. Pupils are now accessing a wider range of sports and making good progress in their academic ability as shown through the assessment process.	NEXT STEP: To continue to use the Lancashire PE Passport to support the teaching in PE. To produce a new cycle, in discussion with staff, allowing the children to further develop their sporting abilities and experience new sports. To give the children more ownership over the assessing of their abilities using the evidence capture tools on the PE APP.
To improve water confidence and swimming ability of children across Key Stage by providing top up swimming	Pupil's water confidence is increasing. Here are the percentages achieving the National Curriculum	NEXT STEP: To continue to use the Primary PE Sports Funding to top up the swimming provision we provide for children in Years 4, 5 and 6.

sessions above the expectation laid out in the National Curriculum.	expectation for Y6 – 52.3% The breakdown for Year 4/5 is as follows: 18% (5/28) have met the KS2 expected standard already 18% (5/28) can swim 10m front crawl and back stroke 32% (9/28) can swim 10m front crawl 14% (4/28) can swim 5m front crawl 18% (5/28) are confident non-swimmers The breakdown for Year 3/4 is as follows – 85% of children (17/20) began as very timid non-swimmers. 55% of these children (11/20) ended their swimming block as being a confident non-swimmer. 25% (5/20) children can now swim 5 metres front and back. 50% (10/20) children can now swim 10 metres on their front and back.	
KEY INDICATOR THREE Staff to grow in confidence when teaching PE across the school. This will provide the children with high quality PE lessons covering all of the statutory areas within the PE curriculum.	Lancashire PE Passport and scheme of work are being used fully throughout the school. Observations have been undertaken of the teaching of PE, feedback given and acted upon. Pupils are now accessing a wider range of sports and making good progress in their academic ability as shown through the assessment process. Pupil voice has been gathered and actions taken into consideration for the 23/24 cycle. Teachers have accessed training from the Lancashire advisory service on Gymnastics.	NEXT STEP: To continue to use the Lancashire PE APP and the scheme of work. NEXT STEP: To monitor the teaching of gymnastics based on the training received. NEXT STEP: To book training on the next area staff have requested - dance.
KEY INDICATOR FOUR Children are inspired and engaged in a range of sports and physical activities extra to those they have experienced already as part of their PE curriculum. This will give the children an appreciation and understanding of how there are different physical activities for everyone regardless of ability, gender or	Lancashire PE Passport and scheme of work are being used fully throughout the school. Observations have been undertaken of the teaching of PE, feedback given and acted upon. Pupils are now accessing a wider range of sports and making good progress in their academic ability as shown through the assessment process.	NEXT STEP: To continue to be an active part of the Hyndburn School Sports Partnership. NEXT STEP: To attend more competitions and events in 2023/24, allowing the children to experience a wider range of sporting events, thus

fitness levels.	School have been incredibly active within the Hyndburn School Sports Partnership. All children from Years 1 - 6 have entered and taken part in an inter-school competition or event. School has attended 16 different competitions throughout the academic year. Pupils have enjoyed experiencing new sporting opportunities and their resilience has built within a competition setting. Pupil voice has been ascertained about competitions and sporting events. Children are proud to represent the school and are eager to attend more events next year. Sports themed days were held covering: Tri-Golf Team events Joy of moving Children were able to try a sport, which the curriculum does not provide. Pupil's experiences have widened, developing their cultural capital.	broadening their cultural capital. NEXT STEP: To hold intra-school sporting competitions between classes, key stages and the whole school. NEXT STEP: A wider range of sport themed days to be held in 2023/24. To make these events spread out throughout the year.
KEY INDICATOR FIVE To improve and increase the engagement of a wider group of children in competitive sports and new physical activities. This will promote team work, self-esteem, resilience and experience of competing against other children in our local area.	School have been incredibly active within the Hyndburn School Sports Partnership. All children from Years 1 - 6 have entered and taken part in an inter-school competition or event. School has attended 16 different competitions throughout the academic year. Pupils have enjoyed experiencing new sporting opportunities and their resilience has built within a competition setting. Pupil voice has been ascertained about competitions and sporting events. Children are proud to represent the school and are eager to attend more events next year. A wider range of sporting clubs have been made available to children throughout the academic year. These have been well attended by a range of pupils. This has allowed the children to become more active after school and broaden their cultural capital.	To continue to be an active part of the Hyndburn School Sports Partnership. To attend more competitions and events in 2023/24, allowing the children to experience a wider range of sporting events, thus broadening their cultural capital. To use pupil voice and sports council to pick after school clubs which the children would be interested in attending. To continue to offer a wider range of sporting opportunities.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Ensuring that staff and pupils have the right amount of sports equipment in order to confidently and effectively teach PE and for all pupils to access all areas of the PE curriculum. Separate equipment will be purchased for children at break times – each class will have their bag of active playtime's equipment that they will be responsible for. To appoint sports leaders who will be in charge of encouraging physical activity at break and lunch times.	Teaching Staff Lunch Time Supervisors Pupils	Key indicator 2: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.	£6000 to fully resource the second cycle of the PE curriculum and additional equipment for active playtimes.
To improve water confidence and swimming ability of children across Key Stage by providing top up swimming sessions above the expectation laid out in the National Curriculum.	Teachers Pupils	Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement	More pupils achieving the national expected standards in swimming by the end of year 6. More children increase their water safety confidence.	£4320

CPD in the area of dance – ascertained from staff confidence discussions. CPD for teachers in EYFS dance schemes, deep dive training and coordinator meetings. In order to provide the children with a high quality and varied PE curriculum, school will use the Lancashire PE scheme of work and PE Passport APP for the second cycle of PE curricular teaching. To track photo evidence and assessment judgements to enable moderation of PE. To monitor the teaching of gymnastics based on training from the 22/23 academic year.	Teachers	Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.	Primary teachers more confident to deliver effective PE supporting pupils to undertake extra activities inside and outside of school, including teaching water safety and swimming and as a result improved % of pupil's attainment in PE.	£501 for PE Passport APP £405 for 16 members of staff to attend a twilight session on dance. £255 for coordinator meetings. EYFS Physical Development and Dance - £189 for one teacher to attend training. £567 for 3 members of staff to attend swimming training.
Pupils to be given access to a range of sports through curriculum teaching, after school clubs and sport themed days. The purpose of these are to offer our children a broader range of	Teachers Pupils	Key indicator 4: Broader experience of a range of sports and activities offered to all pupils Key indicator 5: Increased participation in competitive sport	Pupils are given the chance to attend a wide range of clubs and to take part in a range of sporting activities within the curriculum.	£1200 – Hyndburn school's partnership £3000 for attending intra and inter school sports competitions.

sporting opportunities. To engage all children in inter and intra sports competitions. This will increase their physical activity and give them exposure to the core principles of school games.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	%	<i>Use this text box to give further context behind the percentage.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
