10	Delicates Teachter and cocurricular activities
11	Fantastic teachers all very supportive just an all round brilliant school even the pupils.
12	Warm, caring and professional.
13	Friendly teachers
14	The support the school provide
15	The support the school provide
16	Welcoming, promoting inclusivity and diversity
17	I've never seen such motivated and well established teaching staff
18	Great, highly motivated teachers
19	Communication with teachers and parents
20	Family environment
21	Small, close-knit
22	The school has a good sense of community and family spirit
23	Has a good sense of community and family spirit
24	Very active and focused head teacher leads the staff
25	The children's wellbeing and safety is of paramount importance.

26	The teachers
27	The teachers know all the pupils and strive for them to achieve their best
28	The staff all know the children and they always encourage the children to do their best
29	Communication and always thinking what's best for the pupils and making it so comfortable for them and the bonds teachers have with the children
30	Communication looking at what support their is needed for the children and help with the parents and if a parent has any concerns the school makes it comfortable to talk to even with situations so as being their for their children they or their for the parents aswell witch is so lovely
31	Children are well cared for

19: We are always striving to improve further. In your opinion, how could we be better?

1	Na
2	More hard work
3	everything well
4	I dont you could improve an already amazing school best choice I ever made for my son he's coming on so well here and he's always happy to come school.
5	More equipment on the yard
6	More diversity. The school has a high percentage of Muslim children; their celebrations, their activities, their differences should be celebrated.
7	Improved diversity; celebrate the cultures and religions of all students within the school
8	Knowing child's mood during school time
9	Open up the main gate outside to let people in and out at home time and at the same time but cones in place to stop cars coming in when gates are open
10	If child has been absent, give work to take home for parent to help keep them up to speed
11	May be have computer classes within the school rather taking children to Mount Carmel school
12	N/A
13	Better communication and know the student
14	I think some of the dinner items are a bit naff like plane pasta mixed with veg called rainbow pasta salad
15	Better lunch options-prefer the old menu choices
16	Better lunch options preferred the old menu

2	This school is the best
3	No
4	Happy to have chosen this school for my child
5	Lovely teacher n head teacher always well come with smile n respect .
6	I am very pleased with the support "X" has been getting for her additional needs, The school has always been very adaptive to her needs, encouraging her to do more without pushing her too far. It's always been clear to me that they support in her education and personal development.
7	Bigger amounts of food at dinner
