Activity ideas:

1. Research to see if there were any local heroes in your area. What did they do? Are they still alive today? Are you related to them?
2. How did either war affect your area? Are there any memorials, museums or signs?
3. Turn a table on its side and pretend you're in a trench! Film yourself reporting from the frontlines about the conditions and daily life.
4. Create a model of a battlefield using Lego or craft materials and label it:
